Wimberley Christian Church

Wimberley Christian Church is an independent, interdenominational church located in the heart of Wimberley. Our congregation was established to reach out to the community with the good news of Jesus Christ. "Come as you are" is more than just our slogan. We are more concerned with where you're going than where you've been.

The Dental School has separate clinical programs that offer the full scope of oral healthcare services.

210-567-3217 - Predoctoral Clinic: In this clinical program, patients are treated by dental students under the direct supervision of the faculty. Patients are admitted based upon their treatment needs and their availability. Fees in this program are the lowest of all the School's programs (approximately 60% lower than private practice), but the time commitment is the greatest. Patients should be available for at least 2 appointments per month. If you are interested in becoming a patient in the predoctoral program, you must be evaluated through a screening process to determine if your needs support student training needs. For a predoctoral program evaluation appointment call or go online to www.dentalscreening.com

210-450-3700 - Advanced Education Clinics: In these programs, patients are treated by dentists who are receiving advanced general dentistry or specialty training. All care is provided under the direct supervision of the faculty. Comprehensive dental care is provided in the Advanced General Dentistry clinic and specialty services are provided in all areas of dentistry. The fees in the advanced education clinics are approximately 30% lower than in private practice.
